NOBLE LUX

Elegance, simplicity and quality of the highest standard. Any contact with Noble Lux leaves its marks on the surface of this fabric. These are already “painted over” again however before the next contact. The marble effect of Noble Lux makes each piece of furniture a unique one of a kind.

Permissible color tolarance DIN EN 20105-A02	min. grade 4	passed

Typical product characteristics:

Slight color and structure deviations between the production batches are unavoidable. Patina and shine spots created during use are characteristic of microfiber fabrics. In regularly used areas, lightening and pile loss may occur. Pile layer changes | seat mirrors and slight oscillation are unavoidable. Pilling is unavoidable and can also be caused by the adhesion of foreign fibers. A certain degree of fading of the colors due to the incidence of light lies in the nature of a fabric. Light colors show dirt and denim abrasion faster and more clearly than dark colors. Light colors can cause color migration in combination with dark or intensive color tones. Dark and intensive colors tend to rub off.

CLEANING INSTRUCTIONS

Daily care and at-home cleaners can keep your fabric looking beautiful for years. In the case of a spill, stain, or general wear and tear, follow our tips on how to clean a fabric.

For cleaning you need distilled water and a ph neutral shampoo.

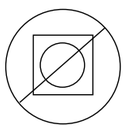
You need a white, clean and soft cotton cloth. Use this to remove the stain in circular motions and allow the area to dry.

Cleaning only with the vacuum cleaner nozzle.

Recommended care labeling:

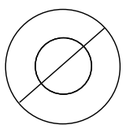
washing

bleaching



drying

ironing



dry cleaning

Instructions for use and care:

Please take note of the instructions for use and care at www.eurotex2000.com/Care instructions.
We assume no warranty for damage caused by improper use, cleaning, care, subsequent impregnation and pets.

Cleaning instruction:

Important information and useful tips for optimum cleaning and care of your upholstery fabric can be found at www.2-clean.de. Further cleaning will have to be done by professionals who specialize in how to clean with this description.

Special equipment:

water repellent

antistatic
